

OUGHTIBRIDGE PRIMARY SCHOOL

Dear Parents

September 2007

Jewellery in School

For health and safety reasons it would be appreciated if you could ensure that children keep the wearing of jewellery in school to an absolute minimum. Watches and small stud earrings are acceptable in school, but NO jewellery can be worn in PE or swimming lessons. Please note that only one earring should be worn in each ear. It is the responsibility of the child to remove and safely store their earrings. However, we do realise that this could be difficult for the younger children, and request that they do not wear earrings on PE days.

NB. Staff are not responsible for lost jewellery.

May we respectfully suggest that if you are thinking of having your child's ears pierced, the start of the summer holiday would be a good time as there is sufficient time for the piercings to heal before your child returns to school and will need to leave out or remove their earrings for PE.

Please could you complete and sign the acknowledgement slip below and return it to your child's class teacher. Thank you.

Photographs at School 2007-8

There are a number of occasions when we will take photographs and video footage of events and activities in school and these may be included on the school website or for other publication/s (including the termly newsletter). If you DO NOT wish your child's image to be used in this way, please complete and return the slip below to their class teacher. If you do not return the slip, we will assume that we have your permission for your child/ren to appear in any such media. Thank you.

PERMISSION SLIP - PHOTOGRAPHS AND VIDEO 2007-8

I DO NOT give permission for photographs/video images of my child in classto be used on the school website or other publication/s.
